WINE FLIGHTS

EACH FLIGHT CONSISTS OF FOUR 2 OUNCE POURS.

T O U R O F F R A N C E

We begin in Loire Valley where Chenin Blanc thrives. Off-dry in style with intense floral aromas and citrus notes on the palate. On to Alsace for a Pinot Blanc that displays white peach with a dry finish. In the Rhône Valley we visit a domaine whose vines average over 50 years old!

The result is an expressive intensity of this Grenache, Mourvèdre & Syrah blend.

Fronsac is located on the right bank of the Dordogne River in Bordeaux.

This area is primarily devoted to Merlot with clay and limestone soils resulting in bright, red fruit and spice driven wines.

Bespoke means "custom-made" and each of these carefully selected wines is a reflection of true varietal character, with our personal stamp. We source these for you, our guest, because some of the best bottlings (at the greatest value!) never find their way to restaurants like ours, unless you are looking. We are fortunate enough to have a team who is passionate about selections that pair with a wide variety of cuisine and don't need to hold center stage to get your attention. Truly, each of these were hand-selected by us, with you in mind. Explore and enjoy!

E X P L O R E P I N O T N O I R

Pinot Noir is an incredibly difficult grape to grow. It thrives in few regions in the world. Burgundy is considered the perfect expression of the grape. For centuries vines have been nurtured while vignerons hoped for a perfect season. When that happens, the result is beyond compare. The cooler areas of Marlborough are the newcomers to the stage and the wines are showing great promise. Oregon's Willamette Valley tends to bridge the old world with new in terms of style while Russian River is warmer and thus fuller, riper styles are common.

Sokol Blosser, Willamette Valley '14
